

# LINE MAINTENANCE SWITZERLAND CONTACTS & CAPABILITIES

**SR Technics** 

Our Line Maintenance engineers are EASA Part-145 and FAA Part-145 approved and offer 365/24/7 service.

The SR Technics Line Station network, with more than 130 engineers, provides full aircraft turn-around services, including planned maintenance, transit, pre-departure and overnight defect rectification as well as other checks on demand.

Our line stations

- Basel, BSL
- Geneva, GVA
- Zurich, ZRH
