SR Technics is pleased to announce the appointment of **Raul Munguia as Business Development Director** for the Americas, effective May 1, 2025. With more than 20 years of aviation industry experience, Raul will focus on driving growth in North America and reinforcing partnerships with key customers.

NEWS FLASH: EVENTS IN Q3 2025

AeroEngines Europe 2025 | September 9-10

Our team attended AeroEngines Europe, the two-day conference dedicated to the region's aero engine industry. The event brought together airlines, OEMs, MROs, lessors, suppliers, and consultancies to discuss the latest market trends, developments, and strategic challenges.

MRO Asia-Pacific 2025 | September 16-18

At MRO Asia-Pacific in Singapore, SR Technics representatives had the opportunity to connect with key customers and leading representatives of the MRO industry across the Asia-Pacific region. The three-day event gathered thousands of professionals to exchange insights, explore innovations, and discuss the latest trends in the commercial aviation after-market.

132nd IATP Conference | Sep 27 – Oct 1

Our Line Maintenance team, Nikola Pavicevic, Senior Account Manager, Jovan Ilic, Sales and Account Manager and Jovana Nikolic, Account Manager took part in the IATP Conference, joining industry peers and representatives from over 130 airlines worldwide. The conference once again proved to be a valuable platform for exchanging knowledge, strengthening partnerships, and showcasing the expertise we bring to line maintenance services.
