**Subject: Maintenance Organisation Validation**

Dear Sir,

Further to the recent application for a validation of your EASA Maintenance Organisation Approval, please find enclosed the Guernsey Aircraft Registry (2-REG) Maintenance Organisation Validation with reference number 2-REG.145.192.

This validation grants SR Technics Switzerland Ltd. the privilege to sign Certificates of Release to Service for 2-REG aircraft using your issued approval number 2-REG.145.192.

The issue of a 2-REG Maintenance Organisation validation is subject to a number of statutory requirements that contain obligations for you as the holder. These are laid down in the Air Navigation (Bailiwick of Guernsey) Law, 2012 and Guernsey Aviation Requirements (GARs). We draw your specific attention to the following GARs:

- GAR 13 Occurrence Reporting
- GAR 43 General Maintenance Requirements
- GAR 145 Aircraft Maintenance Organisation Approval

Please note the validity of this certificate is two years. The 2-REG will send you a reminder to apply for renewal.

Yours sincerely,

p.p.
