as approved source of maintenance for Qatar controlled aircraft/aircraft components, subject to the following conditions at the geographical locations of operation approved under its held EASA Part-145 Approval or as authorized by the Qatar Civil Aviation Authority:

Conditions:

1. This acceptance is limited to that specified on the EASA Part-145 Approval Certificate No. **CH.145.0200** (unless otherwise agreed in a particular case by the QCAA).
2. This acceptance requires the holder's continued compliance with the standard of EASA Part-145 and the requirements of QCAA Supplement; and to maintain valid its held EASA Part-145 Approval Certificate, including the use of the EASA Form 1 for release/return to service of components for installation to Qatar controlled aircraft.
3. This certificate constitutes this Authority's acceptance of the certificates of release to service required under QCAR No. 1003/2006 Annex II, particularly Part-145.A.50, which must be issued in accordance with the requirements of QCAA Airworthiness Notice No. 7 Issue 3, as amended.

Subject to compliance with the foregoing conditions, this certificate shall remain valid until any specified date of expiry, unless the certificate has previously been surrendered, superseded, suspended or revoked.
