Ref No: HQCAA/1046/050/AWAA/I

Dated: 23rd December, 2020

Dear Sir,

CHANGE IN SCOPE OF MAINTENANCE ORGANIZATION APPROVAL UNDER ANO-145:
M/s SR TECHNICS SWITZERLAND LTD.

Reference is made to your organization's application for change in scope of Maintenance Organization Approval under PCAA ANO-145 regulations via letter dated 16th December, 2020.

2. It is apprised that the Competent Authority has approved the addition of following rating to M/s SR Technics approved scope of work w.e.f. 23rd December, 2020:

a) A1 - Line Maintenance for A318/A319/A320/A321 (CFM56) series at Zurich Airport

3. Enclosed herewith, please find approved PCAA MOE Supplement (Revision-14 dated 16-12-2020) and revised approval certificate (Revision-04, dated 23/12/2020). The scope of approval mentioned on "Approval Schedule" is subject to limitations detailed in section 40.10 of the aforementioned Supplement MOE.

4. The onsite audit due for the aforementioned approval (i.e. Change of scope) will be conducted after the normalization of current COVID-19 situation. Kindly apprise this office once the travel restrictions are eased.

Encl.: As stated

(Engr. FAISAL SAJJAD)
Assistant Director Airworthiness
for Director Airworthiness

To,

Mr. Zeljko Raisic
