3. Access Authorizations

Airside Training

In case training will be held at SR Technics training facility within Zurich Airport security zone, you will have to register in advance to obtain airport access pass.

All students attending training at the airside are required to provide their personal details (e.g. Name / Company) at least one week prior the start of training.

Your airport pass will be issued by the airport authority at SRT Main Gate 141 on your first entry of training day. You must personally present the original document (valid passport / ID) with your personal details for verification.

A staff will accompany and guide you upon your entry.

In case of long term passes (20 days or more) is required, different requirements applies.

Please contact training.admin@srtechnics.com for details.

4. Security

Your airport ID pass must be worn in a clearly visible position and manner between the shoulders and the waist at all times within SR Technics. All safety precautions in the hangar and on the ramp must also be strictly taken and observed. The hangars and ramp area may only be accessed when you are accompanied by your instructor or guide.

5. Protective Clothing

For your practical training, trainee must bring / wear a personal safety vest and safety shoes.

6. Meeting Point

Meeting point and time information will both be provided together with an official training invitation prior to training start.

7. Hotel Accommodation

Participant's travel arrangements, visa, stay permit and accommodation will not be covered and organized by SR Technics.

8. Transportation

Public transport

For details about local public transport please visit: <https://www.zvv.ch/zvv/en/home.html>

The two nearest stops to SR Technics are “Werft” (by bus) and “Balsberg” (by S7 train).

Most of the hotels around the airport and in downtown Zurich have their own **shuttle bus** service. The buses are in the pick-up / set-down area between Arrivals 1 & 2.

Taxis are available just outside the Arrivals 1 & 2 concourses. A ride from Zurich Airport to downtown Zurich costs approx. CHF 50.-.

Arriving by car

Since local parking is limited, we strongly advise you to use public transport when travelling to and from SR Technics. But in case required, local parking is available around the area with a fee.

9. Emergency Services
