

To whom it may concern

Regarding the renewal of the Civil Aviation of China (CAAC) foreign maintenance organization Certificate F0410002 issued to SR Technics Switzerland Ltd. with expiry date 2021-12-23, please take note that the CAAC has issued a temporary extension in FSOP, the internet site assigned to SR Technics Switzerland Ltd by the CAAC. The renewal process was prevented by CAAC in the years 2021 and 2022, resulting in a first temporary extension (expiry date June 30th 2022) and this second extension. The CAAC has issued this special approvals in FSOP due to COVID-19.

I hereby confirm that the following content is a complete and identical wording, as extracted from the CAAC internet site assigned to SR Technics Switzerland Ltd. (FSOP / F04100002)

Head of Civil Aviation Compliance Group (OQP)

Jean-Michel Emelli

8058 Zurich-Airport , 18 January 2022

Extract from CAAC FSOP / special Approval / Temporary extension /
application date 2021-12-23 / status approved

Dear Sir or Madam,

Based on CCAR145 regulation and your application for renewal approval from CAAC, the purpose of this letter is to formally inform you that CAAC agree your company continuing to provide maintenance work for Chinese customer with your present CAAC Maintenance Organization Certificate which should be expired on June 30th,2022. This temporary approval is valid until you have received any other formal approval issued by CAAC or before the day December 31st, 2022, which comes earlier. Your company may release Component after the maintenance work finished during this period by this Special Approval, and the working scope is limited to the Rating specified on the MOC and latest Maintenance Capability List accepted by CAAC.

Yours Sincerely,

LI Heping
Director
Continuous Airworthiness & Maintenance Division
