

BO LUMP

SENIOR VICE PRESIDENT OF BUSINESS DEVELOPMENT

"At SR Technics, our commitment to excellence in the MRO industry remains unwavering.

We will continue to elevate our global presence while delivering the outstanding quality and service our customers trust."

NEW VICE PRESIDENT BUSINESS DEVELOPMENT AMERICAS AT SR TECHNICS

SR Technics is pleased to announce that **Gustavo Benitez** has been appointed as the new **Vice President of Business Development Americas**, effective **January 1, 2025**.

"Stepping into the role of Vice President of Business Development Americas at SR Technics marks an exciting new chapter in my career. With over 15 years in the aerospace industry, spanning commercial roles across service providers and OEMs, my journey has been shaped by a commitment to customer-centric solutions and business growth.

Over the past two years at SR Technics, I have had the privilege of leading key initiatives that strengthened our market position and deepened our customer relationships. In this new role, I look forward to further driving business development

across the Americas, ensuring that we continue to deliver the high-quality services and support our customers expect."

GUSTAVO BENITEZ
VICE PRESIDENT OF BUSINESS
DEVELOPMENT AMERICAS

CAMPBELL WILSON, CEO & MANAGING
DIRECTOR OF AIR INDIA AND OWEN MCCLAVE,
CEO SR TECHNICS

SR TECHNICS CONFIRMS ITS GLOBAL PRESENCE WITH NEW LONG-TERM AGREEMENTS

SR Technics has been selected by **Air India** as its **long-term maintenance partner** for the airline's **CFM56-5B/-7B engine fleet**. Under this six-year, multi-hundred-million-dollar agreement, SR Technics will provide comprehensive MRO services to ensure optimal engine performance and reliability for India's leading full-service carrier. This partnership further strengthens SR Technics' presence in the Indian and Asia-Pacific markets. [Check our website for more.](#)

Additionally, SR Technics has renewed its **five-year contract with Allegiant Air**, a U.S.-based low-cost airline, for the maintenance of its **CFM56-5B fleet**. With a growing fleet of over 120 A319/A320 aircraft, Allegiant Air continues to rely on SR Technics' proven expertise and high-quality services to support its expanding operations.
